THE ZION SCHOOL.

Another Lancaster County School and Its Pupils Described in Detail.

Correspondence to The News: The Zion school house and playgrounds in Lancaster county are recommended by many men and women who were pupils there when they were little boys and girls and big boys and girls. The old school house was built of logs and was located below the church on the road leading out to "Vicksburg."

After the new church was built the old church building was moved over on the hill back of the cemetery and used for a school house.

Some men and women who taught at Zion were Mrs. Joseph Dunlap, Mr. J. F. Nisbet, Mr. Thomas Blackmon, Miss Maggie Craig, Miss Alice Shaw, Rev. D. P. Montgomery.

Among the pupils were Ervin, Thurlow, Lytle Hough, sons of Mrs. Lizzie Hough; Mary, Sallie, Ella, Hampton, Rena and Nettie Huey, children of Mr. Joseph Huey; Charles, Molevia, Willie, Emma, Maggie Parks, children of Mr. Wiley Parks; Lemuel and Willie Rollins, children of Mr. Joseph Rollins; Macy and Wheeler McAteer, son and daughter of Mr. Madison McAteer; Emma McAteer, daughter of Mr. Frank McAteer; Jennie McAteer, daughter of Mrs. Jane McAteer; John and Ella Cook, children of Mrs. Nancy Cook; Bride Knight, daughter of Mr. Burl Knight; George and Edna Ferguson; Willie and Loula Smith, Pressly McCorkle, Agnes and Charlie Caskey, John, Joseph, Frank and Elizabeth Lane, Addie and Willie Vick; Emma and Addie McCorkle, daughters of Mr. William McCorkle; Della McAteer, daughter of Mr. John McAteer.

Mrs. Joseph Dunlap died at her home in that community several years ago and was buried in the cemetery at Zion church. Mr. J. F. Nisbet married Miss Molevia Parks and they live in Lancaster. Miss Maggie Craig married and she and her husband moved to Yorkville. Miss Alice Shaw lived at Matthews and married after teaching several schools. Rev. D. P. Montgomery moved from the Camp Creek section to Alabama, and accepted the pastorate of a Baptist church in that state.

Ervin Hough was graduated from the Due West College and is now pastor of the Presbyterian church at Charlotte. Lytle Hough moved to Georgia, and was engaged in the drug business. Miss Mary Huey married Mr. Barber McMurray, and they live at the Stewart McMurray old homestead in the upper part of the county. Miss Ella Huey married Mr. John Lane and they moved to Waxhaw. Mr. Hampton Huey married and he and his family live in the Unity section. Willie Rollins died of pneumonia and was buried in Zion cemetery. Emma McAteer died and was buried in the same cemetery. Joseph Lane married Miss Mary Pauline and they live in Lancaster county. Miss Emma McCorkle married Mr. Billy Pardue. She died a few years ago. Miss Sallie Huey was burned to death at her home at Lancaster about five years ago.

Among the pastors of Zion church when the congregation worshipped in the old building were Rev. Pleasant Plyler, Rev. Rod Plyler, of the Prospect community, Rev. Bedenbaugh and Rev. Copeland. Mr. D. R. Lane was superintendent of the Sunday school for a number of years. The new church was built on the playgrounds nearer the public road.

Among those who lived nearest the school at that time were Mr. Joseph Huey and family. His first wife was a Miss Taylor, sister of Messrs. Everett and John Taylor, of Lancaster. His second marriage was to Miss Mattie Steele. They moved to Lancaster. Mr. James McCrae and sister, Miss Mary Anne McCrae, came over from Ireland and settled in the Zion community. Mr. Madison McAteer and wife, who lived in that section, also came from Ireland.

The graves of Mr. Smith McAteer and wife were the first made in the cemetery at Zion, it is said. One of the largest attended burials there was that

of Mrs. Harriet Starnes, wife of Mr. Caswell Starnes. His second wife was Miss Mary Neil. Mr. Starnes died a few months ago as noted in the Lancaster News. His children are Mrs. Margaret Rollins, Messrs. Harper and Sim Starnes, of Lancaster county, and Mr. W. D. Starnes, of Union county, North Carolina.

NORTH LANCASTER SCHOOL.

School Improvement Association of Very Progressive Community.

The North Lancaster School Improvement held its regular monthly meeting at the school building Friday afternoon, Feb. 18th, for the purpose of discussing matters of interest to the community at large.

The meeting was called to order promptly on schedule time by the president, Mrs. J. E. Craig, who in a brief and forceful manner, outlined the work which the Association is trying to accomplish.

The Secretary, Mrs. J. C. Robinson, read the minutes of the last meeting and same were approved; after which, she outlined the entire program for the afternoon as follows:

Invocation—Rev. W. S. Patterson.

Song—by Entire School.

Enjoyable recitations by little Misses Virginia Cousar and Margaret Robinson and Master Bruce Robinson.

Song—by only the small children.

Splendid recitations by Heyward Adams and Juanita Adams.

The above completed the local program, after which Miss Martha G. Creighton, Home Demonstration Agent for Lancaster County, was presented by the president. She discussed at considerable length the proposed work in this county; that of organizing Girl's clubs, Bread Clubs, and Women Clubs, and the benefit to the community to be derived from same. She stated that South Carolina stood ahead of all other Southern States in this particular class of work, and that greater efficiency was expected of us in future. She strongly urged the organization of a Club in the North Lancaster School community. Her talk was greatly appreciated by the large number present and much good is bound to result from it.

Luther Ellison, Secretary of the Lancaster Chamber of Commerce, Prof. V. A. Lingle, County Superintendent of Education and Rev. W. S. Patterson made short talks, after which, the meeting adjourned to partake of the delicious refreshments which had been prepared for the occasion, consisting of salads, peanut butter and chicken sandwiches, cake and coffee. A delightful time was enjoyed by all who attended.

The North Lancaster school is located in a progressive community, where the people believe in sending their children to school regardless; where the enterprising farmers diversify their lands and rotate their crops and where the "Live-at-Home" method is actively practiced, rather than eternally preached. The school equipment is modern in every respect, the attendance, I am advised, is the best in the county, and the efficient and popular young teacher, Miss Cornelia Dye, is doing a lasting good in her expert capacity as a teacher in the school.

Convincing Evidence

Simple Inexpensive Remedy Checks Early Tendency to Constipation.

About the first thing impressed on the young Mother is the necessity for regularity in her baby, which brings up the question of the most desirable laxative for children's use.

Mrs. Jesse Richardson, Philpot, Ky., says she has used Dr. Caldwell's Syrup Pepsin for the past year and that there is no medicine in the world like it. She writes, "My little son, William, Jr., just loved it because it is so pleasant to take, and everybody talks about his being such a fine healthy boy."

Dr. Caldwell's Syrup Pepsin is a compound of simple laxative herbs, free from any opiate or narcotic drug, and is the standard remedy for constipation in thousands of homes throughout the land. Drug Stores every-
